

Dear BJT Actors,

We want to congratulate you on the outstanding auditions and call backs for our 2014 production of Aladdin. We have spent many hours deliberating over the cast list and it has been a difficult task. We know some of you will be overjoyed and some may be disappointed. Please understand that we have experienced the same emotions casting the show, mainly because we have so many talented young performers at BJT and it just keeps getting better. We are looking forward to an exciting production of Aladdin and can't wait to see you all and get started on Monday morning as we will start rehearsals at 8:30am. See you there! It's gonna be a great show.

Thank you all,

The Aladdin Team
